Annual Report 2023-24

"A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavors."

1. Environmental Consciousness – We nurtured environmental consciousness through World Environment Day and World Nature Conservation day in the month of June and July respectively. Green Day was celebrated in this context throughout the school and also plantation activities were conducted.
 2. We also had conducted Written and Online Olympiad exams to promote the awareness and provide experience of facing competitive exams in the students.
 3. We lovingly celebrated National Festivals like 15th August and 26th January to imbibe the patriotic spirit in the students.
 4. With the aim to appreciate creative potentials in the students we had conducted the Fancy Dress Competition for our pre- school champs.
 5. Colour day celebrations helped the children to understand how colours impact our lives and influence our minds.
 6. Diwali Mela – To uplift the creativity in the children we had organized a Diwali Mela, wherein the children had made certain handicraft items and sold them. The money procured from the sales was used for a social cause.
 7. Special sessions on Puberty, Road Safety, Cyber Safety etc. are organized every year to promote personal and social awareness.
 8. We also celebrated Cultural Festivals like Janmastami, Navratri, Christmas and Diwali to encourage love and respect in the students for other religions and customs.
 9. Through Sports Day celebrated, our aim was to uplift and exhibit physical strength through sports like Karate, promoting sportsman's spirit, healthy competitive spirit and through our distinctive House systems, encouraging the morale of our students. In short, again the major goal is total personality development.
- This year we have received many medals in karate, kickboxing, football, cricket and chess in inter-school/state competitions.
10. Through the World Yoga Day – We educated our students on how physical fitness leads to mental fitness and importance of meditation practices.

11. Grandparent's Day – To imbibe the importance of having grandparents at home we have started celebrating grandparent's day. We were so happy to see the grand parents of most of our pre-primary students participated in large numbers in this celebration. It was a great way to give them a platform to express their feelings and the best way to show gratitude for them. We were highly appreciated for our effort.

12. Not only this we conducted activities like drawing and painting, Rakhi making, Diya decoration etc. to encourage creativity in the students.

13. Science exhibition was conducted to empower the scientific temper in the students.

14. Assessment and Feedback to the Parents – As you are already aware that we conduct continuous assessments through class-tests, outside the classroom activities, periodic tests, orals, mid –term and final exams etc. This helps us to keep a continuous check on the student's academic progress. Not only this, we also provide a quick feedback to the parents.

15. Counseling – We all must agree that not only our physical health but also our psychological health gets affected due to the lifestyle changes. No one of us is spared and children are not exception to that. So, we all face some or other kind of mental blocks. Here, counseling takes an important place to help students perform better all fronts.

We believe that 'Every behavior has a psychological reason for it'. Thus, we reserve time for counseling the students.

16. Best Teacher's Award Winners –

i. Best Coordinator - Mrs. Jagruti Satpute

ii. Best Teacher – Primary Section – Mrs. Devyani Khairnar

iii. Best Teacher – Secondary Section – Mrs. Savita Shirsat

17. Standard X Results: We are happy to declare that our first batch of Std. X (A.Y 2023-24) secured 100% results.

We would like to thank the supportive management whose continuous support to our ideology of education has enabled the school to come this far. Teachers and the entire staff members also deserve applause for their tireless efforts in implementing the route map of imparting quality education here. We also extend heartfelt thanks to the parents of our students who have shown unflinching faith in us by giving us the profound opportunity to transform their children into truly useful citizens of the future world.

We would like to specially mention the efforts, co-operation and participation of parents in all these activities. We really appreciate it.

Thank you.
